

COLLINS

— *Dentistry & Aesthetics* —

At Collins Dentistry & Aesthetics, we've always been committed to the safety of our patients and the safety of our team. In response to the widespread pandemic COVID-19, we're following every necessary precaution to ensure the health and safety of our patients and staff.

Our dental office will continue to see scheduled patients as normal, but we are currently only scheduling new appointments if the situation is urgent or an emergency. We are still actively answering our phones, so please call us if needed at (509) 532-1111. We're happy to answer any questions you may have.

Thank you for your patience and trust during these challenging times. Everyone's safety is our top priority right now.
